SUBJECT: Resubmitting Documents

DATE: April 18, 2023

Hello,

I had uploaded CEQA documents for a 20 day public circulation period on March 30, 2023 (SCH#2023030781). It has just been brought to my attention that the documents were for the wrong project.

I would like to withdraw the project and upload a new project with the correct documents.

Thank you,

Sincerely,

Bethelhem Telahun
