Project Title: Shalane Tank and Transmission Pipeline Project

Project Applicant: East Niles Community Services District

Project Location (include county): Bakersfield, Kern County

Project Description:

The project is located on the east side of Shalane Ave. on an undeveloped land. The District is proposing to construct a 2.0-million-gallon above-ground welded steel water storage tank with associated appurtenances and yard piping and install approximately 5,000 feet of new 14-inch potable water transmission pipeline. The project also includes installation of a chain-link fencing and electrical components for lighting and security around the tank site. Implementation of the project would provide +
