Project Title: Winterhawk Lift Station Improvement Project

Project Location: 8400 Winterhawk Lane, Granite Bay, in Unincorporated Placer County (APN 046-140-049-000)

Description of Nature, Purpose, and Beneficiaries of Project: The project is the replacement of existing components that were installed as part of the Winterhawk development in 1994, as they are now reaching the end of their useful and reliable lifespan. Components to be replaced include: the existing wet well pumps, wet well lid to include a safety grate, control panel, PG&E panel all on new reinforced concrete equipment pads. The project includes installation of a new pump termination cabinet to comply with current National Fire Protection Association (NFPA) code requirements. The project also includes installation of a conduit for future connection for telecommunication to allow upgraded technological capabilities, and approximately 320 square feet of new asphalt concrete pavement. All project work will be performed in previously disturbed areas, within the existing fenced utility area (1,040 sq ft).
