Project Title: Southern Los Cerritos Wetlands Restoration Project

Project Applicant: Los Cerritos Wetlands Authority

Project Location (include county): Seal Beach, Orange County

Project Description:

The project would restore wetland, wetland-upland transition zone, and upland habitats throughout the project area. This would involve addressing any contaminated soil, grading, revegetation, construction of new public access opportunities (including trails, a Stewardship Site, and viewpoints), construction of flood management facilities (including earthen berms), and modification of existing infrastructure and utilities.

This is to advise that the State Coastal Conservancy has approved the above (Lead Agency or Responsible Agency)

described project on 09/14/2023 and has made the following determinations regarding the above described project.

- 1. The project will not have a significant effect on the environment.
2. An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA. A Negative Declaration was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures were made a condition of the approval of the project.
4. A mitigation reporting or monitoring plan was adopted for this project.
5. A statement of Overriding Considerations was adopted for this project.
6. Findings were made pursuant to the provisions of CEQA.

This is to certify that the final EIR with comments and responses and record of project approval, or the negative Declaration, is available to the General Public at:
