Project Title: Pimentel Private Floating Dock (Streambed Alteration Agreement EPIMS Notification No. SAC-33116-R2)

Project Location: The project is located at the Sacramento River, in unincorporated Sacramento County, State of California; Latitude 38.701048, Longitude -121.623925 (WGS 84 datum, decimal degrees); Assessor's Parcel Number 201-0250-031-0000. The project is located at 7173 Garden Highway, Sacramento 95384.

Project Description: The California Department of Fish and Wildlife (CDFW) has executed Streambed Alteration Agreement EPIMS Notification Number SAC-33116-R2, pursuant to Section 1602 of the Fish and Game Code to the project Applicant, Andre Pimentel.

The project is limited the installation of a private boat dock with cover, gangway and landing. The proposed dock and gangway will be manufactured off-site and delivered to the nearest boat ramp. Installation of the dock will require pile driving of three (3) 12-inch steel piles at a length of 40-feet with a barge-mounted pile driver. Pile driving will be completed in one day.

The dock will consist of a U-shape structure, measuring 32-feet by 24-feet with one (1) finger measuring 4-feet by 24-feet and one (1) finger measuring 8-feet by 24 and a headfloat measuring 8-feet by 24-feet. In total, the dock will cover approximately 480 square feet. The dock will have an aluminum frame and composite decking with encapsulated floatation. The dock will also include a 24-foot by 24-foot gable roof that covers the slip, both fingers, and part of the dock.

A 3-foot by 70-foot aluminum gangway will be installed to access the dock, covering an area of approximately 210 square feet. A 3-foot by 4-foot by 1.5-foot concrete landing will be installed on the bank of the Sacramento River to anchor the gangway to shore. The landing will include two (2) 4-inch pipe piles to allow the gangway to rise during flood conditions. Minor impacts to existing rip rap and non-native vegetation are anticipated for the installation of the concrete pad, but native trees and shrubs will not be removed.

Public Agency Approving Project: CALIFORNIA DEPARTMENT OF FISH AND WILDLIFE

Person or Public Agency Carrying out Project: Andre Pimentel

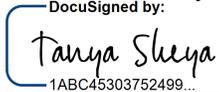

Exempt Status:

- Categorical Exemption. Type – Class (4); California Code of Regulations, title 14, sections 15304

Notice of Exemption

Reasons why project is exempt: The project is minor alteration to the condition of land and does not include the removal of healthy, mature, or scenic trees.
