Project Location

The Project site is located at the intersection of Sanders Road and Larkin Road in eastern Sutter County, California.

Project Description

The County of Sutter proposes the Live Oak Canal Bridge Replacement Project. The Proposed Project is located on the eastern edge of Sutter County, between Yuba City and Live Oak, just west of State Route (SR) 99. The Live Oak Canal Bridge (Bridge No. 18C0106) is located on Sanders Road at the intersection with Larkin Road. The County is proposing to replace the bridge due to low sufficiency rating and poor intersection geometry. The new structure would allow truck turning for California Legal Trucks to and from Larkin Road onto Sanders Road. The proposed bridge replacement is planned to be a precast or cast-in-place, reinforced concrete double-celled box culvert (box culvert) with overall (gross) dimensions of about 13.9 feet (ft) wide by 105.5 ft long. The Project is currently partially funded through SB 1 and local funds.
