RE: California Environmental Quality Act (CEQA) AB 52 and SB 18 Consultation Request for the City of Gardena General Plan, Zoning Code & Zoning Map Amendment Project, City of Gardena, Los Angeles County, California.

Mr. Charles Alvarez,

The City of Gardena proposes the City of Gardena General Plan, Zoning Code & Zoning Map Amendment Project (Project). The City of Gardena will be the lead agency pursuant to CEQA. The Project proposes amendments to the Land Use Plan, which is part of the General Plan, and the Zoning Code, amendments to both the Land Use Policy Map and the Zoning Map, as well as a rescission of the Artesia Corridor Specific Plan and redesignation of those properties to other land use and zoning categories. Additionally, new citywide development standards are being proposed. Although the proposed Project does not involve site-specific development, the intent is to provide adequate sites for residential development to accommodate the City's Regional Housing Needs Allocation (RHNA) and to allow for additional residential development opportunities should they arise. As site-specific development proposals are not currently known, a programmatic analysis of the potential environmental impacts associated with development consistent with implementation of the proposed Project is being prepared in the EIR.

Cogstone Resource Management (Cogstone) has been retained to conduct a programmatic level cultural resources assessment for the City of Gardena (City) General Plan, Zoning Code & Zoning Map Amendment Project (see Figures 1 and 2).

We are contacting you because the Gabrieleno-Tongva tribe requested to be notified and provided information, under the provisions of the California Environmental Quality Act (CEQA) (Public Resources Code section 21080.3.1 subdivisions (b), (d) and (e)), also known as AB 52, regarding projects within the City of Gardena's jurisdiction and within the traditional territory of the Gabrieleno-Tongva tribe. Please consider this letter and preliminary Project information as the formal notification of the proposed Project. The City is requesting to consult with the Gabrieleno-Tongva tribe in order to identify tribal cultural resources that may be impacted by the proposed Project. The point of contact for the City is below.

City of Gardena Point of Contact Information	
Name/Title:	Amanda Acuna, Senior Planner
Address:	1700 W. 162nd St., Room 101
City:	Gardena, CA 90247
Tel:	(310) 217-9530
E-Mail:	aacuna@cityofgardena.org

Additionally, the City is requesting consultation under Senate Bill 18 (Chapter 905, Statutes of 2004) which requires local governments to consult with tribes prior to making certain planning decisions and requires consultation and notice for a general and specific plan adoption or amendment in order to preserve, or mitigate impacts to, cultural places that may be affected. The Native American Heritage Commission (NAHC) provided us with a list of tribal entities and individuals who have requested to be placed on the SB 18 consultation list. The Gabrieleno-Tongva tribe is on the list provided. As a result, please consider this letter as a notice of the Project and an invitation to provide comments regarding the Project.

The Native American Heritage Commission (NAHC) was contacted on February 10, 2022 to perform a search of the Sacred Lands File. The NAHC responded on March 9, 2022 and reported that no Native American sacred sites and/or heritage resources are located within the Project area or the immediate vicinity.

Cogstone requested a record search of the Project area and the entire City of Gardena from the South Central Coastal Information Center located (SCCIC) located on the campus of California State University, Fullerton on February 10, 2021. Results of the record search indicate that 15 previous studies have been completed within the Project area parcels and an additional 31 previous studies have been completed within the City. The SCCIC search results also indicated that one resource, a historic-aged church building is located within the Project area parcels and an additional nine resources, consisting of one historic-aged archaeological site, two prehistoric archaeological sites, and six historic-aged built environment resources are located within the City limits.

As this review is being conducted at a programmatic level, no pedestrian survey of the Project area will be completed.

The City would appreciate receiving any comments, issues and/or concerns relating to cultural resources, sacred lands, and tribal cultural resources that you may have within the Project area. All information provided will be kept confidential.

**Please respond within 30 days**, pursuant to PRC 21080.3.1(d), if you would like to consult on this Project under AB 52. For consultation under SB 18, **you have 90 days to respond**. If you have any questions or concerns with the Project, please do not hesitate to contact Amanda Acuna at the City of Gardena at the address above or via email at [aacuna@cityofgardena.org](mailto:aacuna@cityofgardena.org) or by phone at (310) 217-9530.

Thank you for your assistance,

Amanda Acuna, Senior Planner  
City of Gardena

RE SB 18 Consultation Request for the City of Gardena General Plan, Zoning Code & Zoning Map Amendment Project, City of Gardena, Los Angeles County, California.

Dear Mr. Ontiveros:

The City of Gardena proposes the City of Gardena General Plan, Zoning Code & Zoning Map Amendment Project (Project). The City of Gardena will be the lead agency pursuant to California Environmental Quality Act. The Project proposes amendments to the Land Use Plan, which is part of the General Plan, and the Zoning Code, amendments to both the Land Use Policy Map and the Zoning Map, as well as a rescission of the Artesia Corridor Specific Plan and redesignation of those properties to other land use and zoning categories. Additionally, new citywide development standards are being proposed. Although the proposed Project does not involve site-specific development, the intent is to provide adequate sites for residential development to accommodate the City's Regional Housing Needs Allocation (RHNA) and to allow for additional residential development opportunities should they arise. As site-specific development proposals are not currently known, a programmatic analysis of the potential environmental impacts associated with development consistent with implementation of the proposed Project is being prepared in the EIR.

Cogstone Resource Management (Cogstone) has been retained to conduct a programmatic level cultural resources assessment for the City of Gardena (City) General Plan, Zoning Code & Zoning Map Amendment (see Figures 1 and 2).

The City is requesting consultation under Senate Bill 18 (Chapter 905, Statutes of 2004) which requires local governments to consult with tribes prior to making certain planning decisions and requires consultation and notice for a general and specific plan adoption or amendment in order to preserve, or mitigate impacts to, cultural places that may be affected. The Native American Heritage Commission (NAHC) provided us with a list of tribal entities and individuals who have requested to be placed on the SB 18 consultation list. The Soboba Band of Luiseno Indians is on the list provided. As a result, please consider this letter as a notice of the project and an invitation to provide comments regarding the Project. The point of contact for the City is below.

The NAHC responded on March 9, 2022 and reported that no Native American sacred sites and/or heritage resources are located within the Project area or the immediate vicinity.

Cogstone requested a record search of the Project area and the entire City of Gardena from the South Central Coastal Information Center (SCCIC) located on the campus of California State University, Fullerton on February 10, 2021. Results of the record search indicate that 15 previous studies have been completed within the Project area parcels and an additional 31 previous studies have been completed within the City. The SCCIC search results also indicated that one resource, a historic-aged church building is located within the Project area parcels and an additional nine resources, consisting of one historic-aged archaeological site, two prehistoric archaeological sites, and six historic-aged built environment resources are located within the City limits.

As this review is being conducted at a programmatic level, no pedestrian survey of the Project area will be completed.

The City would appreciate receiving any comments, issues and/or concerns relating to cultural resources, sacred lands, and tribal cultural resources that you may have within the Project area. All information provided will be kept confidential.

Please let us know if you have concerns regarding the Project. All information provided regarding cultural resources, sacred sites or other areas of concern will be kept confidential.

Under SB 18, **you have 90 days to respond.** If you have any questions or concerns with the Project, please do not hesitate to contact Amanda Acuna at the City of Gardena at the address above or via email at aacuna@cityofgardena.org or by phone at (310) 217-9530.

Thank you for your assistance,

  
Amanda Acuna, Senior Planner  
City of Gardena

RE: SB 18 Consultation Request for the City of Gardena General Plan, Zoning Code & Zoning Map Amendment Project, City of Gardena, Los Angeles County, California.

Dear Tribal Chair Redner:

The City of Gardena proposes the City of Gardena General Plan, Zoning Code & Zoning Map Amendment Project (Project). The City of Gardena will be the lead agency pursuant to California Environmental Quality Act. The Project proposes amendments to the Land Use Plan, which is part of the General Plan, and the Zoning Code, amendments to both the Land Use Policy Map and the Zoning Map, as well as a rescission of the Artesia Corridor Specific Plan and redesignation of those properties to other land use and zoning categories. Additionally, new citywide development standards are being proposed. Although the proposed Project does not involve site-specific development, the intent is to provide adequate sites for residential development to accommodate the City's Regional Housing Needs Allocation (RHNA) and to allow for additional residential development opportunities should they arise. As site-specific development proposals are not currently known, a programmatic analysis of the potential environmental impacts associated with development consistent with implementation of the proposed Project is being prepared in the EIR.

Cogstone Resource Management (Cogstone) has been retained to conduct a programmatic level cultural resources assessment for the City of Gardena (City) General Plan, Zoning Code & Zoning Map Amendment (see Figures 1 and 2).

The City is requesting consultation under Senate Bill 18 (Chapter 905, Statutes of 2004) which requires local governments to consult with tribes prior to making certain planning decisions and requires consultation and notice for a general and specific plan adoption or amendment in order to preserve, or mitigate impacts to, cultural places that may be affected. The Native American Heritage Commission (NAHC) provided us with a list of tribal entities and individuals who have requested to be placed on the SB 18 consultation list. The Santa Rosa Band of Cahuilla Indians is on the list provided. As a result, please consider this letter as a notice of the project and an invitation to provide comments regarding the Project. The point of contact for the City is below.

City of Gardena Point of Contact Information	
Name/Title:	Amanda Acuna, Senior Planner
Address:	1700 W. 162nd St., Room 101
