Project Title: Amendment of San Diego Unified Port District Code Article 8, Section 8.09 – Oversized Vehicles on Tidelands and Section 8.11 – Vehicle Parking Regulated by the San Diego Unified Port District
Project Location – Specific: San Diego Unified Port District Tidelands
Project location – City: San Diego; National City; Chula Vista; Imperial Beach; Coronado
Project Location – County: San Diego

Description of Nature, Purpose, and Beneficiaries of Project: The proposed project would involve amending the San Diego Unified Port District Code Article 8, Section 8.09 - Oversized Vehicle Parking Regulations on Tidelands and Section 8.11 - Vehicle Parking Regulated, by the San Diego Unified Port District (Applicant) in the cities of San Diego, National City, Imperial Beach, Chula Vista and Coronado, California. This amendment would broaden Section 8.09 of Port Code beyond its current Shelter Island specific regulations to include parking areas on tidelands in all five member cities. It would also modify, update, and clarify the definition of an Oversized Vehicle and specify what areas around the San Diego Bay have Oversized Vehicle restricted parking.

- The intent of this amendment would be to accomplish the following:
1. Improve access to parking areas that are impacted by Oversized Vehicles
 2. Improve and maintain health, safety, and environmental conditions
 3. Open views to the bay that are impacted by Oversized Vehicles
 4. Protect the landscaping of District parks
 5. Increase the number of passenger vehicle spaces
 6. Support tidelands tenants through improved turnover and access to parking

- Regulations specific to this amendment will include:
- Reducing the number of current Oversized Vehicle Parking spaces on Shelter Island by removing 17 spaces within Shoreline Park and converting them to standard parking spaces (leaving 10 Oversized Vehicle parking spaces on Shelter Island Drive)
 - Increasing the time restrictions on some streets on tidelands to regulate overnight parking
 - Regulating parking on tidelands streets and parks
 - Clarifying where and when vehicles with boat trailers can park at the three (3) boat launch areas on tidelands
 - Clarifying what objects are not to fill or obstruct spaces designated for parking or adjacent driveways and sidewalks

To specify these new regulations, signage, parking space striping and markings would be installed as necessary.
