

NOTICE OF EXEMPTION

To: Office of Planning and Research
P.O. Box 3044
Sacramento, CA 95812-3044

From: California Department of General Services
707 Third Street, Third Floor
West Sacramento, CA 95605

Project Title: March Fong Eu Secretary of State Partial Roof Replacement

Project Location – Specific: 1500 11th Street

Project Location – City: Sacramento

Project Location – County: Sacramento

Description of Nature, Purpose, and Beneficiaries of Project:

The activity proposes partial replacement of Secretary of State building roof. Only the upper level membrane of the roof is proposed for replacement at this time. The lower level roofs were replaced recently and does not need replacement yet. The activity includes removal and re-installation of roof mounted mechanical equipment, e.g., air handling units (AHUs). This is required to ensure that the area under the AHUs is properly waterproofed and that curbs and flashings are effective. Removing and reinstalling AHUs will require use of a tower crane, located at the 11th Street side of the building. State will coordinate and obtain necessary traffic control plans and encroachment permits from respective jurisdictional agencies that protect public health and safety. All construction debris will be properly disposed of in compliance with existing regulations. Project benefits include building protection from inclement weather conditions.

Name of Public Agency Approving Project: Department of General Services/Facility Management Division

Name of Person or Agency Carrying Out Project: Jason Sy, Project Director I, RESD/PMDB

Exempt Status: Categorical Exemption 14CCR Section 15301 Existing Facilities

Reasons Why Project is Exempt:

The project qualifies for Class 1 exemption where repair, maintenance, or minor alterations of existing public structure involves negligible or no expansion of existing use. The State confirms that the project involves negligible expansion of use beyond that existing at the time of the lead agency's determination and it confirms that no exceptions apply which would preclude the use of an exemption for this project.
