### MESSAGE:

On June 01, 2023, Lake County Community Development Department published an IS/MND regarding a Major Use Permit for commercial cannabis cultivation. Following the publication of the IS/MND, staff became aware that the document uploaded did not have the signature on it. Please update the existing IS/MND with the signed copy.

Per CEQA Guidelines 15073.5. (c) Recirculation is not required under the following circumstances: (2) New project revisions are added in response to written or verbal comments on the project's effects identified in the proposed negative declaration which are not new avoidable significant effects. (4) New information is added to the negative declaration which merely clarifies, amplifies, or makes insignificant modifications to the negative declaration. Since the information is not changing the project description, not making an impact on the environment, and is an insignificant modification it doesn't require recirculation.
