Project Title: Bowtie Parcel Demonstration Wetland Project Removal Action Workplan
Project Location: 2800 Kerr Street. Los Angeles, CA 90039
CEQA Region: S. CA
Project Description: The Project will enhance habitat, improve water quality, and increase public access to open space and the LA River. Dry weather and some wet weather flows will be diverted from the storm drain, treated through a filtration system, and pumped into a wetland where there would be additional water quality improvements. A portion of the water would be used for irrigation, and the remaining enhanced water would be returned to the LA River. The Project would also include landscaping and amenities to convert the former brownfield site into habitat native to Southern California and a park space for public use. WCB Project Tracker ID: 2023065.
