Project Title: MD-40 Sunset Ridge Water System Improvements

Project Applicant: Madera County Public Works Department

Project Location - Specific:
Maintenance District 40 Sunset Ridge

Project Location - City: Coarsegold Project Location - County: Madera

Description of Nature, Purpose and Beneficiaries of Project:

The existing MD-40 wells have been producing water out of compliance with secondary drinking water standards for Iron and Manganese within the last 12 months. On August 27, 2027, the Madera County Environmental Health Division issued a compliance order for the MD-40 water system to comply with CCR, Title 22, section 64449 for Iron and Manganese by June 30, 2024. The planning project will analyze the water system to identify feasible alternatives that address existing system deficiencies, and also complete a consolidation evaluation with nearby water systems.
