Project Title: North Cathedral City Regional Stormwater Project

Project Applicant: Coachella Valley Water District

Project Location (include county): City of Cathedral City, within Riverside County.

Project Description:

CVWD will construct a regional stormwater project to convey water from north of the existing Union Pacific Railroad (UPRR) tracks, south under the UPRR tracks, and ultimately in a southerly direction to the Whitewater River Stormwater Channel. The project will reduce flooding to approx. 8,000 acres downstream and provide improved flooding protection to the lives and property of Thousand Palms. The site is located approx. 130 feet southwest of Interstate 10 and 0.8-miles east of Gene Autry Road.

This is to advise that the Coachella Valley Water District has approved the above (Lead Agency or Responsible Agency)

described project on June 27, 2023 and has made the following determinations regarding the above described project.

- 1. The project will not have a significant effect on the environment.
2. An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA. A Negative Declaration was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures were made a condition of the approval of the project.
4. A mitigation reporting or monitoring plan was adopted for this project.
5. A statement of Overriding Considerations was adopted for this project.
6. Findings were made pursuant to the provisions of CEQA.

This is to certify that the final EIR with comments and responses and record of project approval, or the negative Declaration, is available to the General Public at:
