(Address)

Project Title: Ferndale Drainage Project

Project Applicant: City of Ferndale

Project Location - Specific:

Along and subsurface to: Arlington Ave., 5th St., Van Ness Ave., and field to the north

Project Location - City: Ferndale Project Location - County: Humboldt

Description of Nature, Purpose and Beneficiaries of Project:

The project includes stormwater infrastructure improvements including replacement storm drain inlets, new tree planting wells, subsurface water quality treatment units, new 18-inch storm drain pipes (one along Arlington Ave, one along 5th St.), a manhole, a new swale with culvert crossings, grading to modify existing drainage swale, and creation of a 0.5-acre stormwater retention basin.

Name of Public Agency Approving Project: City of Ferndale

Name of Person or Agency Carrying Out Project: City of Ferndale

Exempt Status: (check one):

- Ministerial (Sec. 21080(b)(1); 15268);
- Declared Emergency (Sec. 21080(b)(3); 15269(a));
- Emergency Project (Sec. 21080(b)(4); 15269(b)(c));
- Categorical Exemption. State type and section number: Sections 15302, 15303, 15304
- Statutory Exemptions. State code number: _____

Reasons why project is exempt:

The project is exempt because it meets Sections: 15302 (Replacement), 15303 (New Construction), and 15304 (Minor Alterations to Land) because both replacement and new utility infrastructure would be installed, and due to the 0.5 acre stormwater retention pond. No mature or scenic trees would be removed, no historic or cultural resources would be affected, grading would not occur on slopes greater than 10%, and the project would accommodate existing stormwater conditions and not expand capacity.

Lead Agency

Contact Person: Jay Parrish, City Manager Area Code/Telephone/Extension: (707) 786-4224
Email: citymanager@ci.ferndale.ca.us

If filed by applicant:
