Project Title: Comprehensive Plastics Reduction Program

Project Applicant: City of Los Angeles

Project Location (include county): City of Los Angeles - citywide; County of Los Angeles

Project Description:

The City seeks to implement the Comprehensive Plastics Reduction Program, which would involve measures to reduce or eliminate the production and use of single-use plastic products and encourage the reuse of other items to the extent feasible ("upstream" measures). The Program also includes elements to increase the City's ability to collect, reuse, recycle, and compost alternative materials to single-use plastics and support reusable products ("downstream" measures).

This is to advise that the City of Los Angeles has approved the above (Lead Agency or Responsible Agency)

described project on October 1, 2024 and has made the following determinations regarding the above described project.

The Los Angeles City Council certified the Program EIR and approved the Program on October 1, 2024 (CF # 21-0064).

- 1. The project will have a significant effect on the environment.
2. An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures were made a condition of the approval of the project.
4. A mitigation reporting or monitoring plan was adopted for this project.
5. A statement of Overriding Considerations was adopted for this project.
6. Findings were made pursuant to the provisions of CEQA.

This is to certify that the final EIR with comments and responses and record of project approval, or the negative Declaration, is available to the General Public at:
