**Subject: Request for Changes to SCH Number 2023050084**

To Whom it May Concern:

The purpose of this memo is to request a change to the State Clearinghouse filing for the 301 Tennessee Street Warehouse Project in the City of Redlands, California (SCH# 2023050084). After submission and publishing of the project notices on the State Clearinghouse website, it was discovered that Appendix D of the Initial Study/ Mitigated Negative Declaration was not the correct document. Appendix D should be the Noise and Vibration Analysis for the proposed project, instead of the Cultural Resources Report and AB 52 consultation documentation.

Sincerely,

Sean Reilly  
Principal Planner
