Project Title: New Fire Station No. 32 Project

Lead Agency: City of San José

Contact Name: Bethelhem Telahun, Planner

Email: Bethelhem.Telahun@sanjoseca.gov Phone Number: (408) 535-5624

Project Location: City of San José Santa Clara  
City County

Project Description (Proposed actions, location, and/or consequences).

The City of San José proposes the construction of a new, one-story fire station with two apparatus bays, which would serve as the new SJFD Fire Station 32 located at 1138 Olinder Court. The proposed improvements consist of the construction of a new fire station building, hardscape areas, landscaping, and underground utilities to support the fire station. The proposed project would also result in the demolition of an existing structure and removal of existing tree on the site.

Identify the project's significant or potentially significant effects and briefly describe any proposed mitigation measures that would reduce or avoid that effect.

Mitigation measures are included to reduce construction-related impacts to biological resources, cultural and tribal cultural resources, hazards and hazardous materials, and noise to less than significant levels. These include Mitigation Measures BIO-1: Nesting Bird Protection Measures; Mitigation Measure CUL-1: Cultural Resources Awareness Training; Mitigation Measure HAZ-1: Site Management Plan and Vapor Intrusion Measures; and Mitigation Measure NOI-1: Construction Phasing.

If applicable, describe any of the project's areas of controversy known to the Lead Agency, including issues raised by agencies and the public.
