Project Title: Van Nuys Lot 32 Fire Life Safety Improvements
Project Location – Specific: Lot 32, Van Nuys Garage, 6150 Van Nuys Blvd
Project Location – City: Van Nuys
Project Location – County: Los Angeles

Description of Nature, Purpose, and Beneficiaries of Project:

DGS-OFAM proposes to complete Fire/Life Safety improvements and repairs for the Van Nuys State Building parking garage, including waterproofing, traffic and parking striping, wheel stops, painting, signage, sealing structural cracks, interior drainage improvements, lighting improvements, and fire alarm system upgrades. The project assumes construction to be performed on night and weekends and will be phased as the garage is in heavy use by building occupants.

Name of Public Agency Approving Project: Department of General Services – Office of Fleet and Asset Management (DGS-OFAM)

Name of Person or Agency Carrying Out Project: Sabina Wiley, Project Director I, (279) 799-3936, Department of General Services – Real Estate Services Division – Project Management & Development Branch (DGS-RES-D-PMDB)

Exempt Status:

Categorical Exemption § 15301 (d) Existing Facilities

Reasons Why Project is Exempt:

Class 1 allows for the rehabilitation of deteriorated facilities to meet standards of public health and safety, and for the repair and maintenance of existing public structures, facilities, and mechanical equipment where it involves negligible expansion of use. The State confirms that no exceptions apply which would preclude the use of an exemption for this project.
