Project Description: (please use a separate page if necessary)

Request to legalize a truck parking operation on a 19.1± acre parcel in the General Agriculture (A-2-40) zoning district. The truck parking operation is proposed to be within a 1.5± acre graveled area and will include up to 12 truck-tractors and 15 trailers, all owned by applicant. The applicant proposes to screen the parking area by a six-foot-tall wood fence that will run east to west along the East Barnhart frontage. The ingress and egress for trucks will be from Faith Home Road via a new driveway. Proposed hours of operation are Monday thru Friday, from 7:00 am to 4:00 pm. No supply deliveries, loading, or unloading will occur as part of the project. The trucks will transport agricultural products such as lettuce, sweet potatoes, cilantro, watermelons, cauliflower, and almonds. No maintenance of the tractor-trailers will take place on site. Up to 10 employees will park passenger vehicles onsite, while out on long-haul assignments. No structures will be built as part of the project. Storm drainage will be via a French drain system, to be developed within the parking area. The site is served by a private well and septic system. The balance of the parcel has been developed with a single-family dwelling, garage, and agricultural accessory building.
