

May 24, 2023

State Clearinghouse
1400 Tenth Street
Sacramento, CA 95814

This memorandum is to document a change to the Notice of Completion (NOC) filed for the Central Utility Plant Expansion Project Notice of Preparation (NOP). The original upload was unsigned, and we'd like to add the signed version. This is the only correction in the document.

Sincerely,
Lindsay Christensen
Lead Agency Representative
