Project Title: ZF2022-0084- Conquest Marketing Group Cannabis Use Permit

State Clearinghouse Number: 2018082055

Applicant: Tranell Sevier, Conquest Marketing Group, 1296 E. Gibson Road #A347, Woodland, CA 95776

Owner: TR Property Group, 2121 Natomas Crossing Drive #200-206, Sacramento, CA 95834

Project Location: 32484 County Road 24, Woodland, CA 95695 (APN 049-140-024)

Project Description: The Project is a Cannabis Use Permit to allow issuance of a cannabis cultivation license for up to two acres of canopy for Conquest Marketing Group and issuance of a self-distribution license.

Notice: This is to advise that on November 2, 2023, the Yolo County Planning Commission took the following actions to approve this project: *received a staff presentation, held a public hearing, and received comments on the Conquest Marketing Group Cannabis Use Permit; determined the project is consistent with the Cannabis Land Use Ordinance Environmental Impact Report (SCH#2018082055), certified by the Board of Supervisors on September 14, 2021 (Resolution 21-211), and determined that no further environmental review is needed pursuant to Sections 15168(c), 15162, and 15183 of the CEQA Guidelines, and approved the Finding of CEQA Compliance; adopted the Findings in support of approval of the Project; approved the Cannabis Use Permit subject to, and as modified by the Conditions of Approval; and authorized the project applicant to apply for license issuance of a cannabis cultivation license and self-distribution license.* Pursuant to Section 21152 of the PRC and Section 15094 of the CEQA Guidelines, the following determinations have been made:

1. The project as conditioned will NOT have a significant effect on the environment.
2. An Environmental Impact Report WAS prepared and certified pursuant to the provisions of CEQA.
3. Mitigation measures WERE integrated into the project through conditions of approval.
4. A Mitigation Monitoring and Reporting Plan was NOT adopted for the project.
5. A statement of overriding considerations WAS NOT adopted for the project.
6. Findings WERE made pursuant to the provisions of CEQA.

The County finds that adoption of the proposed project falls within the scope of the Yolo County Cannabis Land Use Ordinance (CLUO) Program Environmental Impact Report (EIR) (State Clearinghouse #2018082055) certified by the Board of Supervisors on September 14, 2021 (Resolution 21-111). Pursuant to CEQA Guidelines (California Code of Regulations, Title 14) Section 15168, the impacts associated with the proposed project were studied, and mitigation measures concerning such impacts were developed, in the CLUO EIR. No further environmental review is required because the County finds, based on substantial evidence in the record of proceedings, that: 1) approval of this project is a "later activity" associated with the CLUO EIR, as defined by subsection (c) of Section 15168; 2) no subsequent EIR is required pursuant to CEQA Guidelines Section 15162; and/or the project qualifies for streamlined environmental review pursuant to

POSTED 11/09/2023 **TO** _____

CEQA Guidelines Section 15183 due to consistency with zoning. All impacts associated with the approval of this project are within the scope of environmental review previously studied, and the requirements and mitigations incorporated into the CLUO adequately serve to mitigate the impacts associated with approval of this project.

This is to certify that the Final EIR including comments and responses, and the record of project approval, including the Program EIR Checklist/Project Initial Study, are available to the general public at the Community Services Department at 292 W. Beamer Street, Woodland, CA 95695, (530) 666-8043, jeff.anderson@yolocounty.org.
