## Notice of Determination

**To:** Yolo County Clerk                      Office of Planning and Research  
625 Court Street, B01                      1400 Tenth St., Rm 113                      P.O. Box 3044  
Woodland, CA 95695                      Sacramento, CA 95814                      Sacramento, CA 95812-3044

**Subject:** Filing of Notice of Determination in compliance with Section 21152 of the Public Resources Code and Section 15094 of the California Environmental Quality Act (CEQA) Guidelines

**Project Title:** ZF2022-0087- Diamond Back Genetics Cannabis Use Permit

**State Clearinghouse Number:** 2018082055

**Applicant:** Edward Walker, Diamond Back Genetics, 20910 County Road 79B, Capay, CA 95607

**Property Owner:** Walker 2019 Rev Trust, 20910 County Road 79B, Capay, CA 95607

**Project Location:** 20910 County Road 79B, Capay, CA 95607 (APN 048-060-008)

**Project Description:** The Project is a Cannabis Use Permit to allow issuance of a cannabis cultivation license for up to one-acre of canopy for Diamond Back Genetics.

**Notice:** This is to advise that on December 14, 2023, the Yolo County Planning Commission took the following actions to approve this project: *received a staff presentation, held a public hearing, and received comments on the Diamond Back Genetics Cannabis Use Permit; determined the project is consistent with the Cannabis Land Use Ordinance Environmental Impact Report (SCH#2018082055), certified by the Board of Supervisors on September 14, 2021 (Resolution 21-211), and determined that no further environmental review is needed pursuant to Sections 15168(c), 15162, and 15183 of the CEQA Guidelines, and approved the Finding of CEQA Compliance; adopted the Findings in support of approval of the Project; approved the Cannabis Use Permit subject to, and as modified by the Conditions of Approval; and authorized the project applicant to apply for license issuance of a cannabis cultivation license.* Pursuant to Section 21152 of the PRC and Section 15094 of the CEQA Guidelines, the following determinations have been made:

1. The project as conditioned will NOT have a significant effect on the environment.
2. An Environmental Impact Report WAS prepared and certified pursuant to the provisions of CEQA.
3. Mitigation measures WERE integrated into the project through conditions of approval.
4. A Mitigation Monitoring and Reporting Plan was NOT adopted for the project.
5. A statement of overriding considerations WAS NOT adopted for the project.
6. Findings WERE made pursuant to the provisions of CEQA.

The County finds that adoption of the proposed project falls within the scope of the Yolo County Cannabis Land Use Ordinance (CLUO) Program Environmental Impact Report (EIR) (State Clearinghouse #2018082055) certified by the Board of Supervisors on September 14, 2021 (Resolution 21-111). Pursuant to CEQA Guidelines (California Code of Regulations, Title 14) Section 15168, the impacts associated with the proposed project were studied, and mitigation measures concerning such impacts were developed, in the CLUO EIR. No further environmental review is required because the County finds, based on substantial evidence in the record of proceedings, that: 1) approval of this project is a "later activity" associated with the CLUO EIR, as defined by subsection (c) of Section 15168; 2) no subsequent EIR is required pursuant to CEQA Guidelines Section 15162; and/or the project qualifies for streamlined environmental review pursuant to CEQA Guidelines Section 15183 due to consistency with zoning. All impacts associated with the approval of this project are within the

POSTED **DEC 19 2020**

scope of environmental review previously studied, and the requirements and mitigations incorporated into the CLUO adequately serve to mitigate the impacts associated with approval of this project.

This is to certify that the Final EIR including comments and responses, and the record of project approval, including the Program EIR Checklist/Project Initial Study, are available to the general public at the Community Services Department at 292 W. Beamer Street, Woodland, CA 95695, (530) 666-8043, [jeff.anderson@yolocounty.org](mailto:jeff.anderson@yolocounty.org).

625 Court Street, B01                      1400 Tenth St., Rm 113  
Woodland, CA 95695                      Sacramento, CA 95814

Subject: Filing of Notice of Determination in compliance with Section 21152 of the Public Resources Code and Section 15094 of the California Environmental Quality Act (CEQA) Guidelines

Project Title: Yolo County Cannabis Land Use Ordinance (CLUO)

State Clearinghouse Number: 2018082055

Applicant/Owner: Yolo County Community Services Department  
292 West Beamer Street  
Woodland, CA 95695  
Lead Agency Contact: Jeff Anderson, Senior Planner; (530) 666-8043

Project Location: Countywide

Project Description: The Yolo County Cannabis Land Use Ordinance (CLUO) establishes comprehensive land use regulations for all cannabis activities including a conditional use permit requirement, zoning and site design requirements, and comprehensive development and operational standards. The CLUO expands allowed cannabis activities in the unincorporated County, and includes requirements for public noticing, buffers from identified sensitive land uses, caps on the number of operations and license types, and other performance standards. Amendment and/or addition of several policies of the Countywide General Plan, and of several other related County regulations, are included as a part of this action.

Notice: This is to advise that on September 14, 2021 the Yolo County Board of Supervisors approved: a Resolution to Certify the EIR, a Resolution to Amend the General Plan and Adopt the Mitigation and Monitoring Program; an Ordinance approving the CLUO; an Ordinance amending the Subdivision Regulations; and an Ordinance amending other sections of the Zoning Regulations. Pursuant to Section 21152 of the PRC and Section 15094 of the CEQA Guidelines, the following determinations have been made:

1. The project will have a significant effect on the environment.
2. An Environmental Impact Report was prepared and certified pursuant to the provisions of CEQA.
3. Mitigation measures were integrated into the CLUO.
4. A Mitigation Monitoring and Reporting Plan was adopted for the project.
5. A statement of overriding considerations was adopted for the project.
6. Findings were made pursuant to the provisions of CEQA.

This is to certify that the Final EIR including comments and responses, and the record of project approval, are available to the general public at the Yolo County Department of Community Services, 292 West Beamer Street, Woodland, CA 95695, (530) 666-8775, [cannabis@yolocounty.org](mailto:cannabis@yolocounty.org).
