Santa Rosa, CA 95403

CC: Caltrans Division of Rail and Mass Transportation
1120 N Street
Sacramento, CA 95814

Project Title: Application of TIRCP funding for Petaluma Transit (Electric Buses)

Project Applicant: City of Petaluma, Public Works Department, Transit Division

Project Location: Within city limits of Petaluma, Sonoma County, CA.

Project Description: The TIRCP funding will be used to fund the purchase of electric buses, which will replace up to 10 existing fossil fuel buses with 10 zero emission buses (battery/electric).

EXEMPT STATUS:

Statutory Exemptions

- {Article 18:Section 21080; 15260}
 Ministerial {Sec.15268}
 Feasibility/Planning Study {Sec.15262}
 Emergency Project {Sec.15269}
 Common Sense {Sec.15061(b)(3)}
 Other: 15378 {Sec. Not a CEQA Project}

Categorical Exemptions

- {Article 19:Section 21084; 15300}
 Existing Facilities {Sec.15301}
 Replacement or Reconstruction {Sec.15302}
 Small Structures {Sec.15303}
 Minor Alterations {Sec.15304}
 Minor Subdivisions {Sec.15315}

Reasons why project is exempt: Fixed route and paratransit services are currently provided within city limits using traditional fossil fuel vehicles, which emit greenhouse gases. The project would allow for the purchase of electric buses, to replace up to 10 fossil fuel buses, which would eliminate greenhouse gas emissions from the operation of fixed route and paratransit services. Since the electric buses will replace existing fossil fuel buses, transit services will continue to have the same purpose and capacity as the existing transit services provided by the city, but the new buses will result in zero emissions. Therefore, the project is exempt under Sections 15301, as bus services are existing, and Section 15302 as the project would replace existing fossil fuel buses with zero emission buses. There are no cumulative impacts, unusual circumstances, or other factors that would make the exemption inapplicable. City Council approved the Project on May 15, 2023.
