Re: SCH 2023050692, Port of Stockton BayoTech Hydrogen Production and Dispensing Facility Project

As lead agency under the California Environmental Quality Act (CEQA), the Port of Stockton (Port) provided notice of its intent to adopt a Mitigated Negative Declaration (MND) assessing the potential environmental effects associated with the following project located on the Port's East Complex: Port of Stockton BayoTech Hydrogen Production and Dispensing Facility Project (Project), SCH Number 2023050692. The review period began May 30, 2023, and was slated to end on June 29, 2023. The Port is requesting to extend the review period to July 10, 2023.

Attached to this memorandum is an updated Notice of Intent for this Project.
