Project Description: (please use a separate page if necessary)

The proposed Long Range Campus Plan (LRCP) Update would provide a high-level planning framework to guide land use and capital investment in the LRCP planning area, in line with the University of California College of the Law, San Francisco's (the College) mission, priorities, and strategic goals. The LRCP planning area includes the entire existing College campus as well as the property owned by Unite Here Local 2 Union (Local 2) at 201-247 Golden Gate Avenue. The proposed 201 Golden Gate Avenue-Mixed Use Project (mixed-use development) would develop a new 12- or 13-story building at the Local 2 property, expanding the College's footprint by a quarter of a city block. The College has developed two conceptual scenarios (variants) for the proposed mixed-use development, referred to as Academic Light (Variant 1) and Academic Heavy (Variant 2). In either scenario, the proposed mixed-use development would involve the demolition of the existing on-site buildings, and the construction and operation of a new single building, with a mix of uses dedicated to academic/programmatic space, campus housing, and space for the hospitality workers labor union Local 2's operations and functions, including a hiring hall.

Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.
