Project Description (Proposed actions, location, and/or consequences).

The Rancho Cordova Climate Action and Adaptation Plan (CAAP) is a comprehensive roadmap to community sustainability and resilience. The purposes of the CAAP are to identify strategies and measures the City can take to reduce greenhouse gas (GHG) emissions to levels that align with State goals and set forth strategies to adapt and promote resilience to the impacts of climate change.

Identify the project's significant or potentially significant effects and briefly describe any proposed mitigation measures that would reduce or avoid that effect.

None.

If applicable, describe any of the project's areas of controversy known to the Lead Agency, including issues raised by agencies and the public.

None.

Provide a list of the responsible or trustee agencies for the project.

None.
