**SUBJECT: Extend Public Review Period for the La Villetta at Avenue 58 Project
EA, SCH**

To whom it may concern:

The City of La Quinta, as lead agency for the above mentioned project, is requesting to extend the public review period of the project to June 27, 2022. After the document was published for public review, it was noted that there was a mistake on the zoning exhibit that was contained in the document. The exhibit incorrectly noted that the zone change would be from Low Density Residential to Medium Density Residential when in fact the change is being requested to Medium High Density Residential. The City has corrected the document and wishes to post it on the State Clearinghouse website and extend the review period to ensure a 20-day review with proper documentation. Please let us know if you have any questions.

Sincerely,

Cheri Flores, Planning Manager
Design and Development Department
