Governor's Office of Planning & Research

Jul 10 2023

Good morning Ms. Oviatt,

STATE CLEARINGHOUSE

Please see below comments from the California Geologic Energy Management Division (CalGEM) regarding the **CarbonFrontier Carbon Capture and Sequestration by Aera Energy, LLC; SCH # 2023060293** project.

PROJECT DESCRIPTION:

The project proponent is proposing to construct and operate a CCS project within the North and South Belridge oilfields.

COMMENTS:

The parcels are located within the North and South Belridge administrative boundaries, and it is an active oil and gas field. As listed in section 1.5 "Proposed Discretionary Actions/Required Approvals" of the Notice of Preparation Draft Environmental Impact Report (EIR), the applicant shall obtain permits/approvals from the respective agencies as required.

The applicant shall file proper permitting with CalGEM for any required oil and gas operations.

Sincerely,

Victor D. Medrano

Associate Oil and Gas Engineer | Central District
