Project Title: CR&R Waste Transfer Station

Project Applicant: CR&R

Project Location (include county): El Centro, County of Imperial

Project Description:

The project involves a general plan amendment (GPA 22-03) for 8.95 acres of vacant land in El Centro, California. CR&R plans to construct a 66,575-square-foot solid waste transfer station on 7 acres, with parking, stormwater basins, CNG fuel dispensers, and vehicle scales. The remaining 1.95 acres along Ross Avenue will remain vacant. Additional improvements include a roadway connection and extending public utilities to the site. This project will help CR&R comply with waste management regulations.

This is to advise that the City of El Centro has approved the above (Lead Agency or Responsible Agency)

described project on 10/15/2024 and has made the following determinations regarding the above described project.

- 1. The project will not have a significant effect on the environment.
2. An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA. A Negative Declaration was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures were made a condition of the approval of the project.
4. A mitigation reporting or monitoring plan was adopted for this project.
5. A statement of Overriding Considerations was adopted for this project.
6. Findings were made pursuant to the provisions of CEQA.

This is to certify that the final EIR with comments and responses and record of project approval, or the negative Declaration, is available to the General Public at:
