PROGRAM INITIAL STUDY/NEGATIVE DECLARATION

The Public Notice is hereby given that an Initial Study/Negative Declaration (environmental report) for the City of Davis Recycled Water Program Project is available for public review and comment.

**PROJECT LOCATION AND DESCRIPTION:**

The City of Davis Recycled Water Program (Proposed Project) is located approximately 1.5 miles northeast of the City of Davis in eastern Yolo County, north of I-80 and west of the Yolo Bypass, at the City of Davis Wastewater Treatment Plant (WWTP), located at 45400 County Road 28H. Recycled water would also be used throughout the City for City tree irrigation on City-owned properties and within City easements.
