

**NOTICE OF INTENT TO ADOPT
MITIGATED NEGATIVE DECLARATION
FOR THE COUNTY OF RIVERSIDE**

Project Title: Railroad Avenue Bridge Replacement Project over Fornat Wash (Br. No. 56C0099) and East Channel Stubbe Wash (Br. No. 56C0101)

Project Description:

The County of Riverside Transportation Department (County) proposes to replace two existing, structurally deficient timber bridges over Fornat Wash and East Channel Stubbe Wash along Railroad Avenue. The new bridges would be in the same location and would replace the existing timber bridges with new modern concrete bridges. The bridges are being replaced so that the roadway can meet current vehicle load and safety standards. Construction is anticipated to take six months per bridge. During construction, a Traffic Management Plan would be prepared to address closures of the road.

Project Location: Along Railroad Avenue near Whitewater in Riverside County between Haugen-Lehmann Way east and Main Street west and south of Interstate 10 (I-10).

Project Contact: Frances Segovia, Senior Transportation Planner
