PROJECT TITLE: Project Homekey – Weingart, Baldwin Park

PROJECT LOCATION -- Specific: 13921 Francisquito Ave, Baldwin Park, CA 91706

PROJECT LOCATION – City: Baldwin Park

PROJECT LOCATION – County: Los Angeles

DESCRIPTION OF NATURE, PURPOSE, AND BENEFICIARIES OF PROJECT: The State's Homekey Program (Homekey), has made funding available for local jurisdictions to purchase hotels and other properties to be used as interim and permanent housing for people experiencing homelessness (PEH). In late 2022, the California Department of Housing and Community Development (HCD) announced the availability of approximately \$736 million of Homekey grant funding through its Round 3 Notice of Funding Availability (NOFA). In December 2022, the County's Chief Executive Office (CEO) released a Request for Statement of Qualifications (RFSI) for the identification of nonprofit or for-profit entities (Corporations) eligible to apply jointly with the County of Los Angeles (County) for the Homekey Round 3 NOFA. In February 2023, the CEO released a Request for Services (RFS), which eligible Corporations had the opportunity to respond to with project proposals. Selected Corporations would own and, in some cases, operate properties acquired through Homekey Round 3. The County received more than 30 responses to the RFS and identified 11 Corporations with whom to submit applications to HCD by July 28, 2023. Selected Corporations have performed due diligence on the properties to ensure the properties are appropriate for use as interim or permanent supportive housing for PEH, and to support a fair market purchase price for the properties. The State's Homekey Round 3 funds will be used to pay for the cost to acquire, develop, and/or rehabilitate each property. In some cases, a local match will be required to acquire, develop, and/or rehabilitate each property. On May 2, 2023, the County authorized applications for 11 proposed Homekey projects, and found the projects to be exempt from CEQA.

The Project consists of renovation and conversion of an existing hotel into permanent supportive housing. Interior renovation to replace/repair certain building finishes and systems and add kitchens to all units and create resident services and building management spaces. Exterior renovation to including but not limited to painting, additional fencing, and other exterior improvements.
