Subject: Filing of Notice of Determination in compliance with Section 21108 or 21152 of the Public Resources Code.

Project Title: Russian River County Sanitation District Headworks, Lift Stations, and Force Mains Project

State Clearinghouse Number (if submitted): 2023060798

Project Location (include county): The project is located in the unincorporated areas of Rio Nido, Guerneville, Guernewood Park, and Vacation Beach in west Sonoma County.

Project Description: The project will include repairing and replacing existing components of the headworks at the wastewater treatment plant, as well as repairing and replacing existing components at the 11 lift stations located within the Russian River County Sanitation District. Repairs at the lift stations include replacing existing lift station platforms, installing new flow meter vaults, and regrading. The project will replace segments of the existing force main pipelines on the Beanwood, Rio Nido, and Main force main alignments. The project will replace a segment of the Beanwood Force Main that is attached underneath the Guerneville Bridge. The project will also replace a segment of the existing Main Force Main that crosses under the Russian River near the Vacation Beach summer crossing.

The project will reduce the potential for sanitary sewer overflows and leaking pipes, and reduce the risk of the loss of sanitation service resulting from failures of deteriorating infrastructure due to ground deformation, liquefaction, or lateral ground movement caused by a moderate or severe earthquake.

This is to advise that the Sonoma County Water Agency, Lead Agency Responsible Agency, has approved the above described project on September 26, 2023, and has made the following determinations regarding the above described project:

1. The project [will will not] have a significant effect on the environment.
2. An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA.
 A Negative Declaration was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures [were were not] made a condition of the approval of the project.
4. A mitigation reporting or monitoring plan [was was not] adopted for this project.
5. A statement of Overriding Considerations [was was not] adopted for this project.
6. Findings [were were not] made pursuant to the provisions of CEQA.

This is to certify that the mitigated negative declaration and record of approval is on file at Sonoma County Water Agency's administrative office at 404 Aviation Blvd., Santa Rosa, CA 95403.
