Present Land Use/Zoning/General Plan Designation:

Residential Hillside (RH)

Project Description: *(please use a separate page if necessary)*

The proposed project includes the construction of a new 13,000±-square-foot multipurpose gymnasium on a previously disturbed, undeveloped site. The project also includes the development of a small parking lot with ten (10)± American Disability Act (ADA) parking spaces. In addition, the project would require the extension of existing water, wastewater, and electrical infrastructure to the proposed gymnasium. The project would result in a total disturbance of approximately 1 acre, including approximately 4,200 cubic yards of cut and fill.

Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.

Reviewing Agencies Checklist

Lead Agencies may recommend State Clearinghouse distribution by marking agencies below with and "X".
If you have already sent your document to the agency please denote that with an "S".
