Dear Mr. Sun:

The California Department of Transportation appreciates the opportunity to review the Venture Charter Athletic Field Project. The project includes changing an existing grass field to a synthetic turf field for football and soccer use along with various other improvements including an additional 29 parking spaces. The Department has the following comments:

1. To minimize impact to the State Route, Caltrans suggests that events with large numbers of guests be scheduled outside of peak traffic hours.

If you have any questions, please contact me at (209) 483-7234 or Nicholas Fung at (209) 986-1552.

Sincerely,

A handwritten signature in blue ink that reads 'Nicholas Fung'.
