The Colton Joint Unified School District proposes construction of a new transitional kindergarten/kindergarten (TK/K) facility to accommodate the new universal TK program and expanded kindergarten programs and projected enrollment growth at Woodrow Wilson Elementary School. A new building containing four classrooms would be constructed immediately south of the school's basketball courts. A new playground would be constructed to the west of the proposed building. A new paved parking lot with 14 stalls would be constructed east of the proposed building with access from South 8th Street. Immediately north of the new parking lot, a segment of the existing sidewalk would be modified for an off-street bus loading zone.
