Present Land Use/Zoning/General Plan Designation:

Undeveloped/ Office and Light Industrial (OLI)

Project Description: *(please use a separate page if necessary)*

The proposed project would involve the construction of 80 solar all-electric, three-story townhome-style condominiums, with the potential for up to 16 Americans with Disability Act (ADA) accessible accessory dwelling units (ADUs), distributed throughout 20 buildings. Access would be provided via two new inlet/outlet points via Gravenstein Highway North. The project would include a total of 160 parking spaces in garages and 58 surface spaces across the site. A new, enhanced 6-foot-wide pedestrian pathway is proposed to connect the West County Trail to Gravenstein Highway along the south border of the site.

Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.

Reviewing Agencies Checklist

Lead Agencies may recommend State Clearinghouse distribution by marking agencies below with an "X".
If you have already sent your document to the agency please denote that with an "S".
