On Thursday, July 6, 2023, the Beaumont-Cherry Valley Water District (District) and Geovironment (Consultant) uploaded the environmental Initial Study Mitigated Negative Declaration/Environmental Assessment for an upcoming project that the District has been working on. Subsequent to the upload of the documentation to the CEQAnet portal (<https://ceqanet.opr.ca.gov/>) and it was observed that the information provided referenced to NEPA only, however the documentation was prepared to address both CEQA and NEPA.
