The California Department of Transportation (Caltrans) is requesting the withdrawal of a Notice of Exemption (NOE) submitted for the Categorical Exemption (CE) of the Delano Maintenance Facility Upgraded Project (SCH number 2023070146). The scope of the project has changed. Therefore, additional technical analysis is needed to determine environmental impacts of the proposed project. With this changed situation, Caltrans is requesting OPR rescind the project NOE (posted July 10, 2023) from the website of the Governor's Office of Planning and Research.

Sincerely,

A handwritten signature in blue ink that reads 'Juan Torres'.
