

**CEQA CATEGORICAL EXEMPTION / NEPA CATEGORICAL EXCLUSION
DETERMINATION FORM (rev. 04/2022)**

Project Information

Project Name (if applicable): Rattlesnake Slide DO

DIST-CO-RTE: 02-SIS-96

PM/PM: R0.0/103.42

EA: 02-0K160

Federal-Aid Project Number: 0223000117

Project Description

The California Department of Transportation (Caltrans), using state funding only, has completed repairs related to damage caused by landslides in January 2023. This emergency repair work was located in Siskiyou County on State Route 96 between Postmiles R0.0 through 103.42. While only state funding was used for repairs, documentation has been prepared to NEPA standards in case federal reimbursement becomes available at a later date.

Caltrans CEQA Determination (Check one)

- Not Applicable** – Caltrans is not the CEQA Lead Agency
- Not Applicable** – Caltrans has prepared an IS or EIR under CEQA

Based on an examination of this proposal and supporting information, the project is:

- Exempt by Statute.** (PRC 21080[b]; 14 CCR 15260 et seq.)
- Categorically Exempt. Class 1c.** (PRC 21084; 14 CCR 15300 et seq.)
 - No exceptions apply that would bar the use of a categorical exemption (PRC 21084 and 14 CCR 15300.2). See the [SER Chapter 34](#) for exceptions.
- Covered by the Common Sense Exemption.** This project does not fall within an exempt class, but it can be seen with certainty that there is no possibility that the activity may have a significant effect on the environment (14 CCR 15061[b][3].)

CEQA EXEMPTION / NEPA CATEGORICAL EXCLUSION DETERMINATION FORM

Caltrans NEPA Determination (Check one)

Not Applicable

Caltrans has determined that this project has no significant impacts on the environment as defined by NEPA, and that there are no unusual circumstances as described in 23 CFR 771.117(b). See SER Chapter 30 for unusual circumstances. As such, the project is categorically excluded from the requirements to prepare an EA or EIS under NEPA and is included under the following:

23 USC 326: Caltrans has been assigned, and hereby certifies that it has carried out the responsibility to make this determination pursuant to 23 USC 326 and the Memorandum of Understanding dated April 18, 2022, executed between FHWA and Caltrans. Caltrans has determined that the project is a Categorical Exclusion under:

- 23 CFR 771.117(c): activity (c)(9(ii))
23 CFR 771.117(d): activity (d)(Enter activity number)
Activity Enter activity number listed in Appendix A of the MOU between FHWA and Caltrans

23 USC 327: Based on an examination of this proposal and supporting information, Caltrans has determined that the project is a Categorical Exclusion under 23 USC 327. The environmental review, consultation, and any other actions required by applicable Federal environmental laws for this project are being, or have been, carried out by Caltrans pursuant to 23 USC 327 and the Memorandum of Understanding dated December 23, 2016 and executed by FHWA and Caltrans.

Continuation sheet:

Additional work

Continued from page 1.

A landslide, located at PM 37.0, was the largest of the slides, depositing approximately 47,000 cubic yards of material on the roadway. Material has been removed, and rock slope protection (RSP) has been added to the slope to aid in stabilization. Several other slides occurred within the postmile limits and material was removed accordingly.

Project work included: clearing the slide material off the traveled way, providing 24 hour traffic control, replacement of damaged asphalt concrete surfacing and pavement markings, and hauling off slide material to an approved disposal site for Maintenance use for later work.

Purpose: The purpose of this project was to remove hazards, replace damaged assets, and repair facilities to Caltrans standards in order to restore public safety.

Need: The project was needed because the landslides prohibited travel for the public and damaged Caltrans assets.

Right-of-Way

Acquisitions of TCEs were not needed for this project due to work being confined to Caltrans ROW.

Staging/Stockpiling

Staging and stockpiling took place on paved or graveled pullouts within the construction zone, within Caltrans right of way.

Disposal/Borrow Sites

No borrow sites were needed. Slide material was taken to previously environmentally cleared disposal sites at PM 37.9, PM 28.5, and PM 40.1.

Coordination/Consultation

To identify potential cultural resources, Caltrans staff conducted a review of internal and external agency resource records and databases. Additionally, a visual review of the project area was completed by cultural staff. Once review was completed it was determined emergency work had no potential to affect cultural resources.

Biological Resources

The area on State Route (SR) 96 from post mile (PM) 36.9-37.2 slid in both 2021 and 2023. Extensive biological review occurred in 2021, and review for the 2023 slide consisted of review of previously prepared materials and a desktop review. No new impacts to biological resources occurred as a result of the 2023 slide.

Permits

No permits were necessary with the required scope of work.

**EXECUTIVE DEPARTMENT
STATE OF CALIFORNIA**

EXECUTIVE ORDER N-2-23

WHEREAS on January 4, 2023, I proclaimed a State of Emergency to exist throughout California as a result of severe winter storms related to the Atmospheric River event beginning on December 24, 2022; and

WHEREAS starting around December 27, 2022, this Atmospheric River event resulted in significant impacts to the State including, but not limited to, widespread flooding and power outages, downed trees, hazardous debris flows, mudslides, landslides, swelling of waterways, dam overflows, and levee failures; and

WHEREAS on January 16, 2023, I signed Executive Order N-1-23 to further bolster the emergency response to the severe winter storms and support impacted communities across the State; and

WHEREAS the impacts of this Atmospheric River event, including widespread flooding and infrastructure damage, have left many residents out of work; and

WHEREAS on January 8, 2023, I requested a Presidential Emergency Declaration related to this Atmospheric River event, which was expeditiously approved by President Joseph R. Biden, Jr.; and

WHEREAS on January 12, 2023, I also requested the President issue an Expedited Major Disaster Declaration related to this Atmospheric River event, which was again expeditiously approved by President Joseph R. Biden, Jr., for certain designated counties and types of assistance; and

WHEREAS the State of California and local governments, in collaboration with the Federal government, continue sustained efforts to respond to and mitigate the effects of this Atmospheric River event, while at the same time beginning long term recovery efforts; and

WHEREAS under the provisions of Government Code section 8571, I find that strict compliance with the various statutes and regulations specified in this Order would prevent, hinder, or delay the mitigation of the effects of this Atmospheric River event.

NOW, THEREFORE, I, GAVIN NEWSOM, Governor of the State of California, in accordance with the authority vested in me by the State Constitution and statutes, and in particular, Government Code sections 8567, 8571, and 8627 do hereby issue the following Order to become effective immediately.

IT IS HEREBY ORDERED THAT:

1. The provisions of Unemployment Insurance Code section 1253(d) imposing a one-week waiting period for unemployment insurance applicants are suspended as to all applicants who are unemployed as a direct result of this Atmospheric River event who applied for unemployment insurance benefits during the time period beginning December 24, 2022, and ending on the

close of business on June 26, 2023, and who are otherwise eligible for unemployment insurance benefits.

2. The suspension of statutes identified in Paragraph 1 of Executive Order N-1-23, issued on January 16, 2023, shall also apply to local governments, as applicable, to ensure adequate staffing to appropriately respond to this Atmospheric River event.
3. Paragraphs 8 and 9 of my State of Emergency proclaimed on January 4, 2023, related to hours-of-service limitations for those drivers engaged in fuel transportation in support of emergency relief efforts, will terminate at 11:59 p.m. on February 1, 2023.
4. Paragraph 10 of my State of Emergency proclaimed on January 4, 2023, related to out-of-state contractors and other utilities driving their own vehicles to provide mutual assistance for the restoration of electrical power, is terminated.

I FURTHER DIRECT that as soon as hereafter possible, this Order be filed in the Office of the Secretary of State and that widespread publicity and notice be given of this Order.

This Order is not intended to, and does not, create any rights or benefits, substantive or procedural, enforceable at law or in equity, against the State of California, its agencies, departments, entities, officers, employees, or any other person.

IN WITNESS WHEREOF I have hereunto set my hand and caused the Great Seal of the State of California to be affixed this 31st day of January 2023.

GAVIN NEWSOM
Governor of California

ATTEST:

SHIRLEY N. WEBER, Ph.D.
Secretary of State
