Project Location - City: San Luis Obispo

Project Location - County: San Luis Obispo

Description of Nature, Purpose, and Beneficiaries of Project:

Nature. On March 16, 2023, the Board of Education ("Board") for the San Luis Coastal School District ("District") approved the C. L. Smith Elementary School Renovation project ("Project").

Purpose. The purpose of this Project is to modernize the existing kindergarten classroom building, including replacing the HVAC and window coverings, install field renovations, and to perform ADA restroom upgrades, and install upgraded security fencing. One new portable TK classroom will be added. Two existing child-care portables will be replaced by three non-classroom child-care portables.

Beneficiaries. The primary beneficiaries of the Project are the District's students. The Project will allow the District to provide high quality, energy-efficient, safe, and sustainable facilities at the C.L. Smith Elementary School.

Categorical Exemption. State type and section number: Cal. Code Regs., tit. 14, § 15302 (Class 2)

Categorical Exemption. State type and section number: Cal. Code Regs., tit. 14, § 15311 (Class 11)

Categorical Exemption. State type and section number: Cal. Code Regs., tit. 14, § 15314 (Class 14)

 Statutory Exemptions.

"Common Sense" Exemption: Cal. Code Regs., tit. 14, § 15061(b)(3)

Reasons why project is exempt: The Project qualifies for the above exemptions as it will entail the replacement of existing facilities, with no or minimal expansion of prior use (Class 1), the replacement or reconstruction of existing structures and facilities located at the same sites as the structures and facilities replaced and will have substantially the same purpose and capacity as the structures and facilities replaced (Class 2), the construction or replacement of minor structures accessory to existing institutional facilities (Class 11), and the minor additions to existing schools within existing school grounds where the additions do not increase original student capacity by either 25% or ten classrooms (Class 14). Finally, the project is not located in a particularly sensitive environment, will not have cumulative impacts resulting from successive projects of the same type, and there are no unusual circumstances.
