

## NOTICE OF EXEMPTION

**To:** Office of Planning and Research  
P.O. Box 3044  
Sacramento, CA 95812-3044

**From:** California Military Department  
Camp Roberts  
Camp Roberts, CA 93451

**Project Title:** Electric Vehicle Supply Equipment Project at Camp Roberts

**Project Location – Specific:** Buildings 3023, 3024, 6038, & 17001 Parking Lots

**Project Location – City:** San Miguel

**Project Location – County:** San Luis Obispo

### **Description of Nature, Purpose, and Beneficiaries of Project:**

The project consists of installing Electric Vehicle Supply Equipment (EVSE) to provide power for up to 32 future Electric Vehicle Charging Station (EVCS) units in four areas of Camp Roberts Facility parking lots. The parking stalls will be stenciled and signage provided to note stalls intended for use by a designated vehicles. The project includes installation of buried conduits, fixed bollards, wheel stops, and new electrical equipment including wiring for a complete operational and functional system. Electrical power will be supplied from an existing electrical source provided at the site. All work and waste disposal will comply with existing applicable laws, regulations, and ordinances governing work and work will involve pavement saw cutting, trenching, backfilling, and finishing of affected lot surface restored to original condition. The project would provide infrastructure needed to power EVCS to recharge electric vehicles.

**Name of Public Agency Approving Project:** California Military Department

**Name of Person or Agency Carrying Out Project:** Janelle Goulding, Project Director. DGS/Office of Sustainability

**Exempt Status:** Categorical Exemption Sections 15301 Existing Facilities; 15304 Minor Alterations to Land

### **Reasons Why Project is Exempt:**

The project qualifies for Class 1 exemption where repair, maintenance, or minor alterations of existing public structure involves negligible or no expansion of existing use and for Class 4 where project consists of minor public land alterations involving minor trenching and backfilling where the surface is restored. Project earth disturbance will occur in previously disturbed area. The State confirms that the project involves negligible expansion of use beyond that existing at the time of the lead agency's determination.
