Project Title: QMAP/DEER - SR33 & Henry Miller Ave Improvement Project

Project Applicant: California Department of Transportation

Project Location - Specific:
Santa Nella

Project Location - City: Santa Nella Project Location - County: MER

Description of Nature, Purpose and Beneficiaries of Project:

The project entails the installation of traffic signal control and related geometric improvement at the existing Santa Nella Blvd (SR 33) and Henry Miller Avenue intersection. The proposed improvement will retain the existing number of through lanes at the project intersection and include dedicated left-turn lane channelization on SR 33 North-South approaches for accommodating protected. These improvements will be installed within the existing roadway and will not require road widening. The east-west minor streets (i.e. the westbound Henry Miller Avenue approach and the eastbound Santa Nella Water district driveway approach) will be provided with split signal phasing. Pedestrians side crosswalk will be provided on the south, east and west side of the
