Description of Nature, Purpose and Beneficiaries of Project:

SFMTA proposes to implement transportation safety improvements on Battery Street, between Market and Vallejo streets, and on Sansome Street between Market Street and Broadway. The project would install a two-way (northbound and southbound) protected bikeway, including associated color curb changes, on the east side of Battery Street. On Sansome Street, the project would implement pedestrian improvements, such as daylighting, upgrading existing crosswalks to high visibility crosswalks, advanced limit lines, and traffic signal timing changes to extend pedestrian crossing time for people walking.
