PROJECT TITLE: Special Repair/Deferred Maintenance (Allocation #05, FY 2022/2023)

PROJECT LOCATION(S): Statewide (see attached list)

Description of Nature, Purpose, and Beneficiaries of Project: The California Department of Corrections and Rehabilitation will conduct various Special Repair and Deferred Maintenance (SR/DM) projects at various institutions throughout the State. The SR/DM projects are necessary to maintain CDCR prison facilities and to ensure unimpeded operations to perform their public safety mission.

Work is performed within the already developed prison property within areas that are not environmentally sensitive.

Name Of Public Agency Approving Project: California Department of Corrections and Rehabilitation

Name Of Person Or Agency Carrying Out Project: California Department of Corrections and Rehabilitation, Facility Planning, Construction and Management, 9838 Old Placerville Road, Sacramento, CA 95827

EXEMPT STATUS:

<input type="checkbox"/>	Ministerial (Sec. 21080(b)(1); 15268)
<input type="checkbox"/>	Declared Emergency (Sec. 21080(b)(3); 15269(a))
<input type="checkbox"/>	Emergency Project (Sec. 21080(b)(4); 15269(b)(c))
<input checked="" type="checkbox"/>	Categorical Exemption Class 1, CEQA Guidelines Section 15301 (Existing Facilities)

Reason Why Project Is Exempt: The project is categorically exempt from CEQA under the "Class 1" (14 CCR §15301) exemption per the CEQA Guidelines because the project involves negligible to no expansion of use. The project site is not in an environmentally sensitive area and none of the exceptions to this exemption are applicable. This is one of a class of projects that the Secretary for Resources has found do not have a significant effect on the environment, and therefore is declared to be categorically exempt from the requirement for preparing an environmental document.
