SUBJECT: Correction to Notice of Preparation – LeBaron Project

Date: August 1, 2023

To State Clearinghouse,

I am writing on behalf of the City of Stockton to request a correction to the LeBaron Ranch NOP (NOP) submitted to and published by the State Clearinghouse on July 31, 2023 (yesterday). Specifically, the NOP mistakenly excluded the 'Project Description' portion of the NOP. Therefore, I have attached a corrected version of the NOP, which appropriately includes the 'Project Description' portion of the NOP, as was originally intended.

Sincerely,

Joshua Smith
