Present Land Use/Zoning/General Plan Designation:

ZO M-2 Manufacturing Zone / GP Industrial w/ Wind Energy Overaly (WEO)

Project Description: *(please use a separate page if necessary)*

The Palm Springs Fulfillment Center project ("project") is proposing to develop an industrial building on approximately 38 acres on the northwest corner of Indian Canyon Drive and 19th Avenue, in the City of Palm Springs. The project proposes a two-story industrial building with associated improvements such as paved parking spaces and drive aisles, a detention basin, and three gated access points. The two-story facility has a proposed building area of 739,360 square feet, with a building footprint of 727,360 square feet allotted to warehouse uses, and 12,000 square feet for offices on the second floor. The project proposes 419 parking for cars, 11 ADA spaces, and 306 stalls for trucks and trailers. The project proposes 110 docks along the northern and southern sides of the building. The docks will be elevated 48 inches above grade, to allow for efficient loading and unloading of materials. 33 pedestrian entrances are proposed to be located along the north, west, south, and east sides of the project building. Additionally, the proposed project will connect to existing off site infrastructure to provide electricity, natural gas, water, and sewer services to the project along Indian Canyon Drive and 19th Avenue.

Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.

Reviewing Agencies Checklist

Lead Agencies may recommend State Clearinghouse distribution by marking agencies below with an "X". If you have already sent your document to the agency please denote that with an "S".
