The California Department of Transportation (Caltrans) withdraws the Notice of Exemption (NOE) of a Categorical Exemption (CE) for the State Route 63 Traffic Safety Improvement Project (SCH number 2023080153). The scope of the project has changed. Therefore, additional technical analysis is needed to determine environmental impacts of the proposed project. With this changed situation, Caltrans has concluded to rescind the project NOE (posted August 7, 2023) from the website of the Governor's Office of Planning and Research.

Sincerely,
