DATE: August 10, 2023
SUBJECT: SCH 2023080240- Request to submit a corrected document

Shasta County Department of Resource Management uploaded a Mitigated Negative Declaration (SCH2023080240) this morning that contained some scribner errors in the document. Specifically, the footer on pages 2-7 referred to the wrong project number, and the list of Attachments on page 5 was missing a description of Attachment C. These errors are corrected, and we wish to replace the document submitted this morning with the corrected document.

Thank you,

Tara Petti
