Present Land Use/Zoning/General Plan Designation:

Zoning: SR, Suburban Residential (1-acre min), General Plan: Institutional (former church/school use on site)

Project Description: (please use a separate page if necessary)

Project proposes to subdivide a 7.8-acre parcel into seven one-acre+ lots (6 net new units). Existing site features, including a single-family dwelling (formerly a private school and church), accessory structures and corral, would be demolished. Project requires a General Plan Amendment, from Institutional (former church/school use) to Residential. Property is zoned SR, Suburban Residential; no change required to accomodate the seven one-acre residential lots.

Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.

Reviewing Agencies Checklist

Lead Agencies may recommend State Clearinghouse distribution by marking agencies below with and "X".
 If you have already sent your document to the agency please denote that with an "S".
